

Nextdoor Strategy

1. Create image: 700 pixels by 140 pixels, with a “thumbnail square,” 140 px by 140 px, in the middle.

- Note: Obviously, you want to use the name of your club, and you can be creative with the design if you want, but this design has worked well for our club. If you don't create your image EXACTLY like the one above (exact dimensions with the thumbnail square in the middle) your listing image will not display properly in thumbnail view (the default).

2. Write out your content:

- Title: Name of Your Club – include “Toastmasters”
- Date and Time: Suggest posting the start time 15 minutes early if practical.
- Location
- Description

3. Category: Meetings

Note: You have to post every meeting because there is no “set and forget” function.
